

Risk Warning Disclosure

Services displayed on the website are provided by Fiper.me.

Fiper Markets LLC is a registered company in the (TFIZ) as a Forex Brokerage Firm.

TFZ Number: TFZ/201223/01 - Company ID Number: 400378916.

1. Purpose of the Risk Disclosure

This document outlines the potential risks associated with trading financial instruments such as Forex, CFDs, indices, and commodities.

The purpose is to ensure clients understand the nature of these instruments, the risks involved, and their financial exposure before engaging in trading.

Trading leveraged products involves significant risk of loss and may not be suitable for all investors. You should not invest money you cannot afford to lose.

2. General Trading Risks

- **Leverage Risk:** Trading with leverage magnifies both profits and losses. A small price movement in the market can result in significant financial impact.
- **Volatility Risk:** Markets can fluctuate rapidly, leading to potential slippage or price gaps.
- **Liquidity Risk:** Some instruments may become illiquid, making it difficult to close positions at desired prices.
- **Execution Risk:** Internet connectivity, system latency, or technical failures may delay or prevent order execution.
- **Market Risk:** External factors, including economic events, government actions, or political instability, may affect asset prices.
